Gregor is a serial real estate and technology entrepreneur who has founded multiple enterprises. He is a founding member of 1 Sharpe Capital and is the Chairman of 643 Capital Management, which is a co-owner of Streetlane Homes—a top 10 owner of single-family rental homes in the US. In addition to serving as a board member at Streetlane, Gregor currently serves as chairman of Roofstock, overseeing the platform's development and strategy as well as the company's expansion efforts in domestic and international markets. Prior to co-founding Roofstock, Gregor built and sold Dwell Finance, the largest national bridge lender at the time.
